Additional Assessment Criteria – Recovery Boost

The Recovery Boost will be assessed against the criteria listed above. In addition, the following principles will be applied to the assessment of the RAF Recovery and RAF Renewal Streams:

- Community confidence (evidenced by connectivity) “increased or renewed community confidence”
- Creative confidence (evidenced by arts practice)

Specific questions in application forms will allow for applicants to address these additional criteria.

Support Material

Applicants must submit CVs relevant to artist and arts worker practice CVs cannot exceed more than two pages per person. CVs included should relate to the work that will be required for the project.

Effective support letters will tell why the writer wants to be involved, how they are going to be involved and, if they can, provide financial assistance, in-kind assistance, sponsorship or
